

International Students

Student Insurance Enrollment Flowchart

All International Students here on F-1 or J-1 visas will be automatically enrolled in the school-sponsored health insurance plan. A student must provide proof of comparable coverage to waive the plan.

To waive coverage, visit:

studentcenter.uhcsr.com/utah

anytime between now and September 13, 2017. This step can only be completed after you have received an email from the Student Health Center indicating your insurance is ready to be processed. You will be asked to provide detailed information about your current coverage in order to have your waiver approved. Upon submitting the form, you will receive an email approving or denying your waiver request. If your waiver is denied or if you do not complete the waiver process, you will be enrolled in the plan and your student account will be charged the semester's portion of the annual premium. If you wish to pay the entire annual premium, please contact the Student Health Insurance Office on campus at 801-581-5804.

If you wish to purchase coverage for eligible dependents, this flowchart details the process.

UnitedHealthcare StudentResources does not discriminate on the basis of race, color, national origin, sex, age, or disability in health programs and activities.
